

MOVIES IN THE PARK

In an effort to provide safe, inexpensive, family friendly entertainment, *Park City PRIDE Committee* has reassumed the presentation of "Movies in the Park".

It is our plan to show four (4) movies next summer, 2012, if we can acquire the funding necessary to pay for licensing of the movies. There is a \$300 fee required for the display of each movie when it is shown in a public venue which does not charge a fee for viewing.

Unfortunately there is a fee plus a percent of gate if admission is charged. It has been our policy to present these movies free to the public to make family entertainment available to all regardless of their financial situation

Our request is that you, as a business or individual of our community, consider pledging a sum of your choosing to help sponsor "Movies in the Park".

The plan is to show four (4) movies @ \$300 each totaling \$1200.

We would like to ask you to pledge to sponsor a movie, to pledge to contribute a set amount, or to pledge to share the licensing fee equally divided among all contributors, whichever is the lower amount.

At this time we are assuming that the licensing fee will not increase. We will acknowledge contributors at the presentations.

_____ Pledge to contribute \$300 to sponsor a single presentation of "Movies in the Park".

_____pledge to contribute\$_____ to assist with licensing of "Movies in the Park".

_____pledge to contribute an equal share with other contributors or \$_____, whichever is less.
